# Teacher Instructions

## Teacher Instructions

1. Copy and print the word cards on pieces of colored paper (yellow, green, blue, purple, orange, pink, etc.) and a B for beginning.

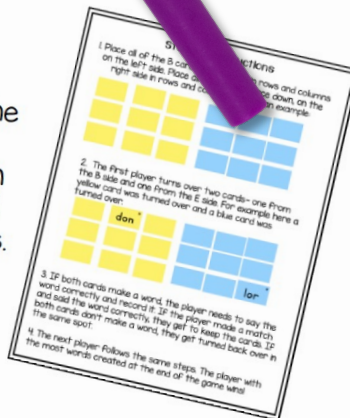

2. Cut up the cards and place them in their stack. You can keep them in a plastic baggie until they are ready to be used. You can also use a recording sheet to record the words.

4. Print out a copy of the student instructions. I suggest to print it out in color if the students will be working by themselves.

## Teacher Instructions

3. Print out a copy of the answer sheet front and back. You can leave the answer sheet for students to reference on their own or you can keep it on hand when working with students.

# Recording Sheets & Answer Key

The image displays two educational worksheets for a memory game. The top worksheet, titled "2-Syllable Multisyllabic Words Memory- ANSWER SHEET", features a table with three columns: "Beginning Word Part", "Ending Word Part", and "Multisyllabic Word". The bottom worksheet, titled "2-Syllable Multisyllabic Words Memory- Recording Sheet", has an identical table structure. A red pencil is positioned diagonally across the bottom worksheet, and a silver clip is attached to the top edge of the recording sheet.
